

ChinaAMC(HK) received six awards in the 2021 Benchmark Fund of the Year Awards

[Hong Kong, 17 December 2021] We are delighted to announce that ChinaAMC(HK) received six awards in the 2021 Benchmark Fund of the Year Awards.

ChinaAMC(HK) is awarded Best-in-class performance in Physical ETF and outstanding performance in China Equity ETF, China A-shares ETF, High Dividend ETF and inverse/leveraged ETF. Our fixed income investment manager CAI jing is titled Outstanding Manager in Asia Fixed Income. The fund manager award recognizes CAI Jing's outstanding and consistent performance over three-year and five-year periods against the benchmark and their peers. The ETF awards recognize ChinaAMC(HK) who endeavor to develop products that help long-term investors achieve diversification, risk management, and asset allocation plans.
