

ChinaAMC (HK) wins “Provider of the Year” at BENCHMARK Fund of the Year Awards 2022

[Hong Kong, June 12, 2023] We are proud to announce that we took home the “Provider of the Year” (Onshore), Hong Kong at BENCHMARK “Fund of the Year Awards 2022”. The Awards represented a meticulous, methodical process and characterized the diligence of more than 40 jurors coming from Banks, Family Offices, Consultants, and EAMs. Companies are assessed by the breadth of winnings across different investment and operational capabilities rather than simply hindsight returns.

This award is the sixth accolade that ChinaAMC (HK) has received from BENCHMARK this year, including five awards at the annual industry awards earlier this year. We are thrilled to be recognized for our remarkable capabilities across different business and investment aspects, and we are honored to be among the winners again.
