¹ Please refer to the Fund's prospectus for further details (including fees).

² Past performance information is not indicative of future performance. Investors may not get back the full amount invested. The computation basis of the performance is calculated on a daily NAV-to-NAV basis, with dividend reinvested (in case of distributing/distribution unit/share class, without dividend reinvested), daily NAV is zero if units or shares of a fund, sub-fund or share class are fully redeemed. Where no past performance is shown, meaning there was insufficient data available in that period to calculate and provide fair performance.

³ Calculated since the inception date of each respective share class. For inception date, please refer to "Available Share Classes" section in this document.

⁴ Calculated based on a seven-day (seven calendar days) period by annualization based on change in net asset value (NAV) between 20 Feb 2026 and 27 Feb 2026, using the formula: $(7\text{-calendar-day cumulative return}^{(365/7)-1}) \times 100\%$. Please note that this figure is a hypothetical performance which is calculated based on a 7-day period of the Fund's past performance and does not represent an actual one-year return.
